REBIRTH OF A CLASSIC

Chinese Assembly Hall, Kuala Lumpur

Bell & Ross brought the swinging 40s back to life at a 'period' party to celebrate the brand's new **Vintage Heritage** collection which pays tribute to pilots and officers of the historical era. Great big sounds of jazz, swing and burlesque rocked the Chinese Assembly Hall as everybody whooped and danced to standout performances by renowned jazz singer Janet Lee as well as contemporary dancers Julie Richer and Peggy Didon who were specially flown in from the music hall of Folies Bergère, Paris. Among the guests that night were **Dato' Kok Yul-Shin, Gillian Hung and Khoon Hooi.**
